

Indescribable: Your Creator has No Limits

First, watch
this week's
video!

Creativity:
Imagining what
you could do
because you
were made in
God's image.

Memory Verse

"Lord, you are
great. You are really
worthy of praise.
No one can
completely
understand how
great you are."
Psalm 145:3, NIV

Bible Story

Creation
(Genesis 1-2:3)

Bottom Line

There's no limit to
God's creativity.

Use this guide to help your family learn how
God made us to be creative.

Activity

Animal Acting

What You Do

Tell your child, "Let's play a game."
Say, "I'll tell you an action, and you
can act it out. After that, tell me
an animal that does that word you
just acted out. For example, if I say,
'Bounce,' you would bounce up and
down. (Bounce up and down.) Then,
you'd tell me an animal that bounc-
es—like a rabbit or kangaroo! Sound
good? Let's do it!"

Use the following words to play
your game. We've suggested some
animals for each word, but your su-
per-creative kid may think of others,
too!

- slither (snake)
- gallop (horse)
- fetch (throw something and
allow them to bring it back)
(dog)
- roar (lion)
- climb (monkey)
- swim (fish)
- bathe yourself (cat)

To make the game more fun, have
your child come up with some an-
imals on their own. Then, you pre-
tend to be that animal.

Talk about the Bible Story

In the video today, we learned that God made the Earth
and everything in it. Isn't that cool? He's so creative!
Which of the animals that we just acted out is the most
creative?

Besides animals, what else did God create? (*Moon, sun,
stars, mountains, trees, people*)

True or false: God's most creative creation is animals.
(False! God's most creative creation is US—PEOPLE!
He made each of us differently, with unique talents and
skills. He did that on purpose, because people are God's
favorite creation.)

God says that we were made in His image. What do you
think that means? (*We were created to think, feel, and
act at least a little bit like God*)

When you think about it, God dreamed up and created
some incredible things—every flower, every sunset, every
bird you see flying in the sky. God is AMAZING! There is
no limit to His creativity.

Prayer

Use this prayer as a guide, either after talking about
the Bible story or sometime before bed tonight:

"God, thank You for creating the world and everything in
it. You put each star exactly where it is—that's pretty cool
to think about! You are so creative, and we know that
You made us to think like You. That means we're creative,
too! Help us to think about You when we're enjoying the
things You created. Remind us to be thankful to the
One who created it—You! We love You. Amen."
