BACK-TO-SCHOOL EDITION

Who We're Serving: Lawndale Schools & Students

**“Serve one another in love.”** –Galatians 5:13

This back-to-school season looks very different for everyone. However, our students in Lawndale are in need of support this Fall when it comes to school supplies, workspaces, and even snacks. A lot of these kids aren't set up for success this year, which is where you come in.

We're calling on our Journey Family to donate the necessary school supplies so that our neighbors in Lawndale can have a positive and fruitful school year. Your generous donations will truly make a difference during this back-to-school season and beyond!

## What Is Needed

(All items must be new)
