

First, watch
this week's
video!

Use this guide to help your family learn how
God can help us be more responsible.

Activity 1

Mini Jenga

- Jenga game
 - Jenga app to play online on the google play app or in the app store on your iphone

Once the tower is built, the person who stacked the tower plays first.

Moving in the game Jenga consists of:

- Taking one block on a turn from any level of the tower (except the one below an incomplete top level), and placing it on the topmost level in order to complete it.
- Players may use only one hand at a time; either hand may be used, but only one hand may touch the tower at any time.
- Players may tap a block to find a loose one. Any blocks moved but not played should be replaced, unless doing so would make the tower fall. The turn ends when the next player touches the tower, or after ten seconds, whichever occurs first.
- The game ends when the tower falls -- completely or if any block falls from the tower (other than the block a player moves on a turn).
- The loser is the person who made the tower fall (i.e., whose turn it was when the tower fell).

Talk About the Bible Story

Why do words matter so much?

How does it feel when you know you used your words the wrong way?

How does it feel when you've used words to build someone up?

Parent: Share a personal story about a time someone's words hurt you. Then, tell a story about a time your words hurt someone else. Talk about ways you and your child can use your words wisely.

Responsibility:
Showing you
can be trusted
with what
is expected
of you

Memory Verse

Suppose you can be trusted with something very little. Then you can also be trusted with something very large.
Luke 16:10a, NlrV

Bible Story

Use Words Wisely
Ephesians 4:29

Bottom Line

Use your words wisely.

Prayer

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

"Dear God, we know how powerful words can be. We know what it feels like to be hurt by words, and we know how it feels when people say things that build us up. Please give us the courage and wisdom to watch what we say—especially when we're upset or angry, or we feel like getting even. Please help us to choose words that will help others instead of hurting them. Amen."
