Activity 1

Stomp Rocket

- Stomp rocket

If you didn't buy our supplies kit, [click here](#) for the directions on how to make one at home.

Show the children the stomp rocket. Demonstrate how to make the rocket fly. Then, ask the children to give the rocket a launch!

Say: Have you ever watched a real rocket launch? It's amazing! Would you like to launch a rocket today? Awesome, let's go. Now, watch this! (Launch the rocket.) Wasn't that amazing? Would you like to do it now? Rockets are amazing! This month, we're learning about someONE who is amazing. I can't wait to talk about Him more in Large Group. Let's go!

Activity 2

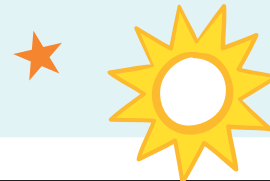

Something Amazing

- Wikki Stixs. (You can also use pipe cleaners or playdough)

Give each child two or three sticks and encourage them to shape them into something amazing! Allow them to share what they're making as they shape their sticks.

Say: Have you ever used Wikki Stix before? You can bend and shape them in so many different ways. I have some sticks for you, and I want you to make something amazing with them!

Wow! You did an AMAZING job! All this month, we're learning about the most amazing one of all, Jesus! His teaching is amazing. His healing is amazing. And His POWER is amazing. Who is amazing? [Bottom Line] Jesus is amazing!

Prayer

"Dear God, thank You for sending Jesus to help us when we're afraid. Help [child's name] remember that Jesus is with [him/her] when [he/she] is afraid. Jesus is amazing, because He has the power to do anything! You are the best, God, and we love You very much. In Jesus' name, amen."
