

Have fun learning and playing with your preschooler!

First, watch this week's video!

First Activity

Fish Match

- "Fish Bowls" [Activity Page](#)
- "Mini Fish" [Activity Page](#)
- Cardstock, six different colors of cardstock (green, blue, red, yellow, orange, and purple)
- Scissors

Copy "Fish Bowls" on the white cardstock and cut on the dotted lines. Give each child a set of bowls. Copy "Mini Fish" on the colored cardstock and cut out on the dotted lines using straight line cuts. Invite the children to choose a fish and decide what bowl they belong in by matching the colors, i.e., blue fish swim in the blue bowl; red fish swim in the red bowl. Repeat the activity until all of the fish are swimming in the correct bowl.

Say: "Hello, friends! We have so many fish that need to go swimming!" (Point.) "Let's work together and match each fish with the correct fish bowl. If you see a blue fish, try to find the blue fish bowl where he can swim! (Do activity.) Great job! Let's match all of the fish to their bowl." "Yay! All of the fish are happily swimming in their fish bowls! Nice work! Today in our Bible story, we'll hear about a really BIG fish! I am so excited to hear our Bible story today!"

Second Activity

- Cardstock
- Ink pad
