Vote to Amend Articles of Incorporation

For many years our church has operated under the name Journey of Faith. We have done so using a d.b.a. statement. It is our intention to make that name change official with the State of California and the IRS. To that end we need to acknowledge the name change in updated Articles of Incorporation to be filed with the California Secretary of State.

I approve the Restated Articles of Incorporation, which reflect the official name of our non-profit corporation as Journey of Faith.
